

**WE CALL OUR ACCOUNT MANAGERS
PROBLEM SOLVERS BECAUSE THAT'S
WHAT THEY DO. SOLVE PROBLEMS.**

THINK YOU'VE GOT WHAT IT TAKES?

WHAT YOU CAN EXPECT FROM US

- We have created world-class training to help all our employees be really, really good at their jobs.
- In addition to training, we've invested heavily in state-of-the-art technology for our staff. You'll get all the bells and whistles you need to crush it.
- We work in teams - no one is an island at Legion. You'll share duties, responsibilities and war stories with the entire Problem Solver team.
- We have awesome benefits. Medical, dental, and vision are available to all full-time employees and Legion pays 60% of all premiums.
- Every employee has a \$15,000 paid life insurance policy, with the option to purchase additional coverage.
- After one year, you are eligible for our 401(K) plan, because no one wants to work forever.
- This job is hard, and we know everyone needs a break, so we offer 15 days of PTO. And because we work in teams, our PTO is actually *time off*.

WHAT WE WOULD EXPECT FROM YOU

- This is a **customer account management** position. You have to be able to speak to customers in many different industries, develop relationships, explain problems (and solutions) and generally earn their trust and ongoing business.
- This is not a sales position. We have a different team that does the cold-calling. This role is all about managing the operations of our customers' supply chains.
- Our customers are our everything, and we expect them to become your everything too.
- Legion's official hours are 7:30 - 4:30. However, we expect you come in at 7:30 and stay until the work is done. Sometimes that's 4:30. Sometimes it is later.
- You will be expected to be on-call for escalated issues after hours once every six weeks and work one Saturday shift every three months or so, from 8 a.m. to noon.
